CHEX Holiday Thanks eLetter

VOLUME 1, ISSUE 2

DECEMBER 2007

A Word From the TCG CHEX Staff...

Another year has come and gone. The holiday season is upon us and people are shoveling driveways, decorating homes and offices, singing holiday songs and preparing for challenges in the New Year. The TCG CHEX Staff wanted to take a moment during this hectic time to sincerely thank you for your business.

CHEX had a very busy summer upgrading the system, updating the course format and adding new courses! Thank you for your patience during the major upgrade in June. Many additional features are available with the upgrade and we hope you are taking advantage of them. To request additional training, contact Laurel Stith at lstith@corridorgroup.com to arrange a call or a webinar.

Thanks to all who participated in the client surveys and for the high marks you gave for customer service, course content and the CHEX "fit" into your orientation and yearly education process! Watch your email for future surveys and we will continue perfecting CHEX with the assistance of your feedback.

We are constantly striving to improve CHEX and offer opportunities to our clients. In 2008, we will continue to facilitate a quarterly CHEX User Group to provide education and opportunities for you to network and learn from other CHEX users. The webinars will be from 1:00 to 2:30 PM CT on January 24, April 24, July 17 and October 30. Get the dates on your calendar **NOW** and join us for the CHEX User Group!

This holiday season offers us a special occasion to extend our personal thanks and best wishes to our valued customers. We appreciate all you do to care for the sick, elderly, and dying in our communities. It is our honor to provide your organization online education and training. Thank you for allowing us a small part in improving the care you provide.

Wishing you, your coworkers and families a very joyful holiday season and a happy and prosperous New Year. We value your patronage and extend our wishes for good health, good cheer, and continued success in 2008. We look forward to working with you and your organization in 2008 to meet your elearning objectives.

Happy Holidays,
The TCG CHEX Staff
